- Ethan** : What do you like to do in your free time, Emma?
Emma : I love drawing and painting. It helps me relax after school. How about you?
Ethan : I'm really into playing video games. I play with my friends online, and we have a lot of fun.
Emma : I see. I like drawing characters from my favorite video games sometimes!
Ethan : That's awesome! Maybe you can draw some of my favorite characters!

Question : What does Emma sometimes draw?

No. 2

- Luke** : Have you tried the new cafe near the school, Satsuki?
Satsuki : Yes Luke. I went there with my friends last week. The coffee is amazing.
Luke : Really? I've heard it's good. Do they have cakes, too?
Satsuki : Yes, they do! I had a slice of cheesecake and it was delicious.
Luke : It sounds good. I'll go there this weekend.
Satsuki : You should! It's a great place to relax and chat with friends.

Question : Why does Satsuki recommend the cafe?

No. 3

- Lee** : Hi Haruka. Would you like to go hiking at Canyon Road Park tomorrow?
Haruka : Sounds great. I'll be free from 10 AM until 3 PM.
Lee : OK. Look at the map. Let's have lunch in the Happy Rabbit picnic area first. Then let's go hiking. I think we should choose the shortest hike to come back by 3 PM.
Haruka : Good idea. So let's go on the Donut Falls Trail.
Lee : Yes. So, after lunch, we'll go back to Canyon Road and turn left. Walk down and turn left again to the lake area.
Haruka : You mean from the start of the Canyon Road, we need to take the second left and follow the road all the way
Lee : Yes, but don't turn left to the lake. Turn right and you'll find our hiking trail. It's about 15 minutes from the picnic area.

Question : Where will they go hiking?

これで問2の問題を終わり、問3の問題に移ります。

問3の問題は、中学生の John と友人の Megumi との対話を聞いて、質問に答える問題です。対話のあとに、その内容に関する質問と、それに対する答えの選択肢ア、イ、ウの文を英語で読みます。それぞれの質問に対する答えとして、ア、イ、ウから最も適当なものを1つ選び、その記号を書きなさい。なお、質問は、No. 1, No. 2, No. 3 の3つです。対話と質問、答えの選択肢は2回ずつ放送します。

では、始めます。

John : Hi Megumi. Have you decided which high school you are going to go to ?

Megumi : Not yet. I took two private high school entrance tests last week. I passed both but I'm not sure I want to go to them.

John : Why not? Aren't they good schools?

Megumi : They are both fine. One of them is only twenty minutes from my house. It has a very good sports program but it doesn't have a girls soccer team. The other has a soccer team, but it's more than two hours from my house. I don't want to travel over four hours a day.

John : Do you have any other options?

Megumi : Yes. I'm going to take two more private high school tests next week and the public high school test the week after. One of the private schools is near Osaka. If I pass the tests, I may get a scholarship but I'm not sure I want to live in a dormitory. I think I would miss my friends and family very much. But their girls soccer program is very famous.

John : How about the public schools?

Megumi : There are two problems there. The tests to enter are very difficult and the level of the teams is not very high. There is one public school with a girls soccer team near my house but they lost every game they played last year. Did you have any problems when you were choosing a high school?

John : Not really. I come from a very small town in Montana. We had only one high school in our town. It was a public school and everybody went there. We had no choice at all. We only had one good sports team in our school. The girls soccer team! They were state champions twice when I was there.

Megumi : I wish my choice was as simple as that !
